**Subject:** Presentation to May 2 Meeting

Hi Angie,

As recommended by Jacques Barbeau, I am writing to ask you to see if you can make room on the agenda of the May 2 priorities meeting in Lively for a brief presentation on behalf of The Walden Cross Country Fitness Club.

The presentation would probably be made by Jeff Sewell, a Past President and member of our club. He would outline some of the recent accomplishments of our club in improving our facilities and attracting new members, young and old, to participate in the healthy sport of cross country skiing, thus improving the health of the community. He would also outline some of our plans and hopes to further expand our facilities, especially our chalet, to accommodate the large numbers we now attract to some events, and to adequately serve our growing membership. We will need continued support from the City and other organisations to carry out these plans.

Thanks very much for your consideration,

Len Wiseman,  
Secretary,  
Walden Cross Country Fitness Club.
