Subject: Hôpital régional de Sudbury Regional Hospital

Dear Mrs. Haché:

In our continued efforts to be open and accountable to the communities we serve, we would like to make a presentation to City Council in the fall. Could you please place the *Hôpital régional de Sudbury Regional Hospital* on your agenda for either the September 13th or October 11th, 2006 council meeting? The 20 minute presentation would highlight some of the HRSRH's activities over the past several months.

Maintaining a dialogue with the community is important as we move forward in realizing our goal of a one-site hospital to better serve the people and strive to meet the future health care needs of this community and northeastern Ontario.

We thank you in advance.

Sincerely,

Vickie Kaminski
